

OSO LIBRE

Winter 2024

A note from the Winemaker

Greetings to you all! 2024 is going to be a busy year for us here at Oso Libre: in the tasting room, on the ranch, in the cellar, and on the road. We have an exciting list of events for our members, with something fun happening every month. Make plans to join us for one or more of these events. If you are coming out to the winery for a visit, why not stay here at the ranch at “Casita Oso Libre,” a two-suite bungalow that has just opened up for guests. Make reservations now by following the link on our website, and receive a 20% discount as a wine club member.

In the cellar, we have already bottled our 2023 Volado and 2023 Rosalinda which some of you will be the first to taste and enjoy. Then we will be working away at getting vintage 2020 blended and in bottles. Watch for the releases of your favorite red wines including Quixotic, Rojo del Patron, and Por Vida.

Then on the road, a large group (close to 100) will be accompanying us as we journey to Portugal to explore their wine and culinary delights.

Cheers!

Michael Barreto
